Costs

Our club is charged for each competitor who enters to compete at carnivals. A season fee is payable at the commencement of the season, along with membership fees, and covers Senior LSV carnival entries. Refer to the Fee Schedule on the download page for this year's fee.

Entries

Members wanting to compete at carnivals must advise the Team Manager of their intentions by 5pm on the Wednesday prior to the carnival so that entries can be made by the due date. Any member who does not advise Team Manager of their intention to compete will not be entered. Should they then wish to compete, the member must advise the Team Manager immediately. They will be liable to pay the additional late entry fee of twice the normal entry fee to the Team Manager at the carnival prior to participating in any events. If the late entry fee is not paid the member will not be permitted to compete at the carnival.
